The PerioGen Company Dental Health Bulletin

*Happy
Holidays!*

Dear Customers Far and Wide,

As 2016 comes to a close we are grateful to have spent the year connecting with so many of you. We are proud to provide products that enable people to take control of their oral health. Your response to our products is greatly appreciated. Thank you for being part of our journey. We wish you a delightful holiday season and a good start to 2017!

Sincerely,

The PerioGen Company

- Undertook and completed 7 university clinical studies on 3 continents
- Presented impressive study results at 3 global conferences
- Published research papers in 7 scientific journals
- Maintained a 4.5 out of 5 star ranking on Amazon

This has been a landmark year for The PerioGen Company. In 2016, we:

- Generated three educational videos at the request of our customers

1. How to use PerioGen:

<https://youtu.be/AIT3IG81AnY>

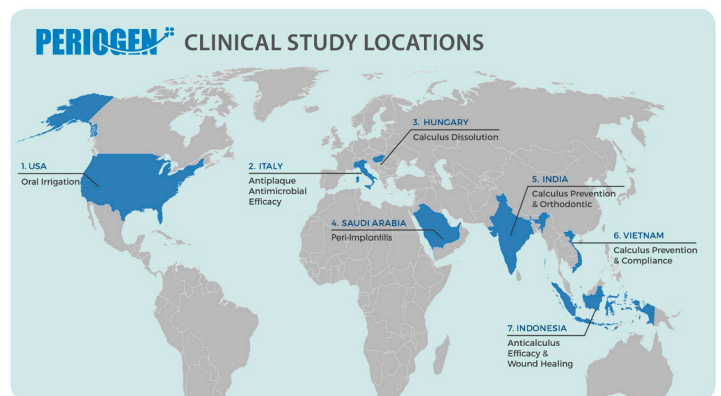

2. How PerioGen Works:

https://youtu.be/XDb5B_3L7NE

3. PerioGen Research Study:

<https://youtu.be/CrfVriVqanA>

- Participated in our first Dental Conference at the CEA Convention in San Diego – The event was attended by noted national and international speakers covering different aspects of oral health. Dr. Rajiv Saini, Associate Professor of Periodontology and Oral Implantology, lectured on Peri-Implantitis and stated that PerioGen was a great tool for enhancing the longevity of dental implants.

2017 should prove to be more exciting as we:

- Introduce new products including an oral spray perfect for on-the-go oral health
- Present remaining clinical study results
- Partner with more dentists and hygienists looking for value-add offerings for their patients
- Increase our worldwide reach through collaboration with new business partners
